

2006 Nissan Sentra Accessories

A red Nissan Sentra is shown in a garage setting. The car is positioned in the lower half of the frame, with its headlights on, casting a glow on the floor. The background features a dark, corrugated metal ceiling with a long fluorescent light fixture. The overall atmosphere is industrial and focused on the car's design.

Make a personal statement. Add value. Show some love for your new Nissan Sentra. Add a rear spoiler for the attitude, rubber floor mats for the protection, satellite radio for the possibilities. Be discriminating. Be authentic. And choose Genuine Nissan Accessories for all the things only they can offer – from a custom fit to easy financing to a factory-backed warranty.
